*Seamlessly Manage Leads, Inventory,  
& Insights in One Place*

Only 18% of big-item consumers do their research by talking with a representative in-store, while a massive **82%** conduct research online before making a major purchase<sup>1</sup>. The research these buyers conduct is not simple or brief — most customers now complete between two-thirds to **90%** of their sales journey before making contact with a dealer<sup>2</sup>. The RV buyer's path-to-purchase no longer starts and ends at a physical dealership, but instead twists and turns online as the customer comes into contact with an average of **19** digital touchpoints before making their purchase<sup>3</sup>.

Online marketing and sales is more complex than ever. As you establish and grow an online presence, how can you manage your RV inventory, track consumer shopping patterns, and nurture leads into sales? It's easy, and can be done all in one place, with RV Trader's proprietary customer platform, **TraderTraxx**.

Designed with dealers in mind, TraderTraxx — when used to its full potential — can serve as the central hub for all of your dealership's advertising efforts.
